Profit Breakdown

RECOMMENDATION AND INSIGHTS

1. Overall Business Performance

Total Sales: 12.64M +51.54% vs last year

Total Profit: 1.47M +52.34% vs last year

Total Orders: 51K +51.93% vs last year

Profit Margin: 11.61%

Return Rate: 3.05%

=> The business is growing fast while still keeping good profitability and quality. The return rate is low and under control

2. Sales & Profit Trend

Sales and profit both show a **steady upward trend** over the years.

There are seasonal ups and downs, but the long-term direction is clearly positive.

Costs remain high, which limits profit growth. → Cost reduction should be a priority.

3. Performance by Salesperson (High-Margin)

Nicole Hansen: 26.26% margin (very high, but low sales volume)

Shirley Daniels: 19.52% margin

Nora Preis: 17.60% margin

Top profit contributor:

Anna Andrade with 311.4K profit

4. Sales by Country/Region (Profit Margin)

EU: 12.69%

US: 12.47%

APAC: 12.16%

Sales are well spread across regions, with strong performance in EU, US, and APAC. → These regions should continue to receive more focus and investment.
